

REMARKS

Applicants submit this paper in response to the Office Communication dated March 28, 2006. The Examiner argues that the limitation in claim 1 that the barrier is "coupled to the sidewall" lacks support in the specification. Applicants amend claim 1 to replace the language "coupled to the sidewall" with "disposed in." Support for this amendment can be found throughout the specification, for example, at page 7, line 10. No new matter is added.

Applicants submit that claims 1-15 are now in condition for allowance, and allowance thereof is respectfully requested. The Examiner is encouraged to telephone the undersigned attorney for Applicants if such communication is deemed to expedite prosecution of this application.

Respectfully submitted,

Lisa Adams, Reg. No. 44,238
